INTRODUCING

PB MOBILE

Branded App

We are tremendously excited to offer our new *PB Mobile* Branded Apps for both *iPhone* and *Android* smartphones!

Access your Progressive Bank personal account information anytime, from anywhere, simply and securely using your iPhone® or Android™-powered Smart Phone Our **Mobile Banking Application** is FREE* and available to all Progressive Bank Personal Online Banking customers. If you are not currently an *Online Banking* customer, simply visit our ***Personal/Convenience Solutions*** page to enroll.

Here are just a few important facts about *PB Mobile*.

1) **NAME – *PB Mobile***

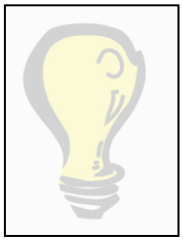
   We considered a number of different options but this simple, straightforward name seemed to make the most sense for our customers.

2) **ICON – For both App Stores and for the Phone Displays**

   Clearly recognizable as Progressive Bank.

3) **BACKGROUND SCREEN – For Use in Both Apps While Logged In**

   Our new Branded Apps were the perfect place for our Progressive Bank *Light Bulb* to make a comeback. The *Light Bulb* has always represented new and fresh ideas which the App represents for us.



*There is no fee from Progressive Bank; however, your wireless carrier messaging and data usage rates may apply.

Through **PB Mobile**, you can:

- **VIEW YOUR ACCOUNT BALANCES** – Instantly access your current balances on any Progressive Bank personal account
- **VIEW YOUR RECENT TRANSACTION HISTORY** – Review your most recent transactions, including deposits, checks, and debit card or ACH transactions
- **TRANSFER FUNDS** – Quickly transfer funds between any of your Progressive Bank personal accounts
- **PAY BILLS** – Make or schedule payments, view and modify scheduled payments, or view recent payment history**
- **FIND FINANCIAL CENTER OR ATM LOCATIONS** – Quickly locate a nearby Financial Center or ATM using the GPS capabilities of your iPhone; or, search by Zip Code or Address. For your convenience, locations are also available on a detailed map.

SECURITY – You can rest assured that your personal banking information is secure as 128-bit encryption masks your sensitive information and a password is required each time you login. In addition, no personal banking data is stored directly on your phone.

*There is no fee from Progressive Bank; however, your wireless carrier messaging and data usage rates may apply.

**You must be enrolled in Progressive Bank's Online Bill Pay to utilize the Mobile Banking Pay Bills function.
