

Progressive Bank

COMMUNITY IMPACT REPORT FOR 2019

Progressive Bank at Work in Our Communities

At Progressive Bank, one of our Missions is '*to contribute to the advancement of the communities we serve through our time, talents, and resources*'. This is a responsibility that we assume willingly as we strive to provide support to all of the communities of which we are a part. Our grassroots approach allows us to focus on what makes each community unique and to offer support, financially and personally, in the manner that most effectively uses our skills and resources to make the biggest difference.

This summary report is intended to provide a glimpse into the many ways that Progressive Bank has contributed to our communities during the past year. From serving on various community boards, to helping our customers complete their home purchases, to providing high school students with an introduction to the world of personal finances and budgeting, we are working every day to our small part to make our world better.

2019 Community Support by the Numbers

511 & 1,973

Through our Financial Education partnership with **Everfi**, we reached a total of 511 students for 1,973 hours of financial learning.

146 & \$200,000

We supported 146 charitable organizations, churches, schools, and universities with over \$200,000 in donations and sponsorships.

50

Through our Residential Lending department, we helped 50 families purchase new homes.
