

# Progressive Bank

---

## COMMUNITY IMPACT REPORT FOR 2022

# Progressive Bank at Work in Our Communities

---

At Progressive Bank, one of our Missions is '*to contribute to the advancement of the communities we serve through our time, talents, and resources*'. This is a commitment that we assume willingly as we strive to provide support to all of the communities of which we are a part. Our grassroots approach allows us to focus on what makes each community unique and to offer support, financially and personally, in the manner that most effectively uses our skills and resources to make the biggest difference.

This summary report is intended to provide only a glimpse into the many ways that Progressive Bank has contributed to our communities during the past year. From serving on various community boards, to helping our customers complete their home purchases, to providing high school students with an introduction to the world of personal finances and budgeting, all while navigating through the challenges of a rising inflation and an uncertain economy, we are working every day to do our small part to make our world better.

# 2022 Community Support by the Numbers

---

## 190 & \$235,000

We supported 190 charitable organizations, groups, churches, schools, and universities with \$235,000 in donations, sponsorship, and other monetary support.

## 30

Our Residential Lending team helped 30 families purchase new homes.

## 805, 12, 2245, and 378

Through our Financial Education partnership with **Everfi**, we reached a total of 805 students in 12 schools for 2,245 hours of financial learning. And, 378 unique users accessed our online **Consumer Financial Education Center**.
